

Crystal Rainbow

General Leader | Sunset Rangers Multiple 4-H Club | District #22

Crystal Rainbow grew up around Rosthern, SK. She was a part of her local Light Horse 4-H club for many years and enjoyed learning more about horses and getting to ride on Friday evenings while growing up. Crystal has many fond memories of competing with her Grandpa's farm horse at the Prince Albert Exhibition throughout the 90's. She moved to Saskatoon and completed an Animal Science degree at the University of Saskatchewan in the way back times of the early 2000's. Crystal and her family now live east of Saskatoon where they have a couple ponies, a couple of horses, too many chickens, a couple of cats and a dog. Crystal loves to join a board, even when she agrees to not join any more boards. She is passionate about her local community and has helped to run the Sunset Rangers Multiple 4-H club, based out of Aberdeen, for the past few years. Her two kids are currently in the Light Horse Project and are enjoying learning about horses and horsemanship through the 4-H program. Crystals favorite 4-H day is club speaking, nothing can make you feel prouder as a leader than seeing your members tackle their fears and talk about what makes them tick in front of a room of family and friends!
