

4-H Saskatchewan Restructure

WEST 4-H REGION

**Background Information for
District 4-H Councils**

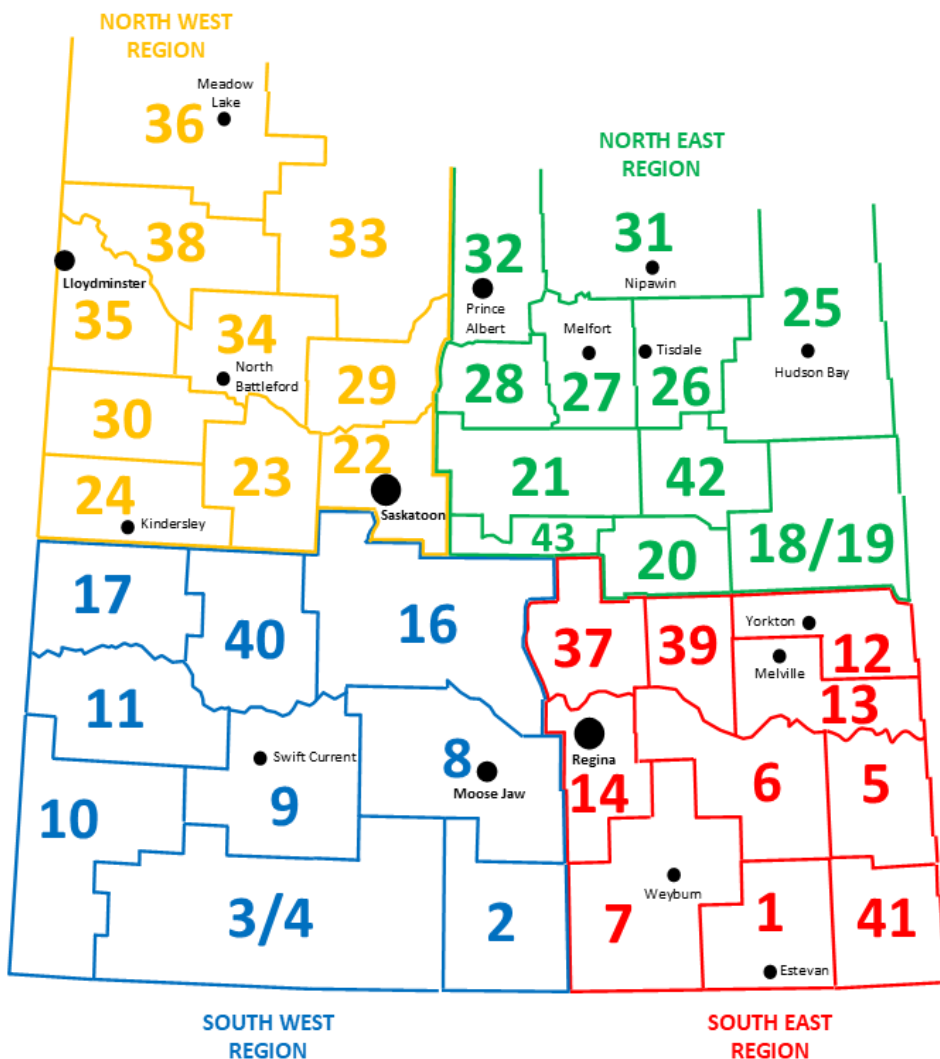

Background & Considerations

In 2004, 4-H Saskatchewan reduced its regions from six to four due to fewer 4-H clubs, and the need to serve our existing clubs with more focused programming from dedicated staff. Twenty years later, the restructuring process continues. In 2024, the regional boundaries are being reduced from four to three, in adjustment to our membership size.

Some districts also are undergoing an adjustment to size, based on club numbers and membership sizes within, and other district-specific needs that are currently not being met. The following district-specific pages explain how and why each district is changing, and how future requirements and essentials will be met.

Staff will continue to assist clubs and districts as they adjust to these changes, beginning with this booklet and accompanying PowerPoint presentation. More specifically, this booklet gives an individual look at how these changes will affect each district.

4-H Saskatchewan—Current Regional Map

The map to the left indicates our current four regions, each with nine to 11 Districts.

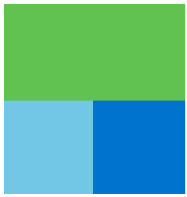

Regions are North West, North East, South West and South East.

Due to the North West position not being filled for almost two years, the current Regional 4-H Specialist team has absorbed other districts into their regional fold to ensure all districts and clubs within are being served:

South West: Districts 3/4, 8, 9, 10, 11, 16, 17, 40, 22, 23, 24, 30, 35.

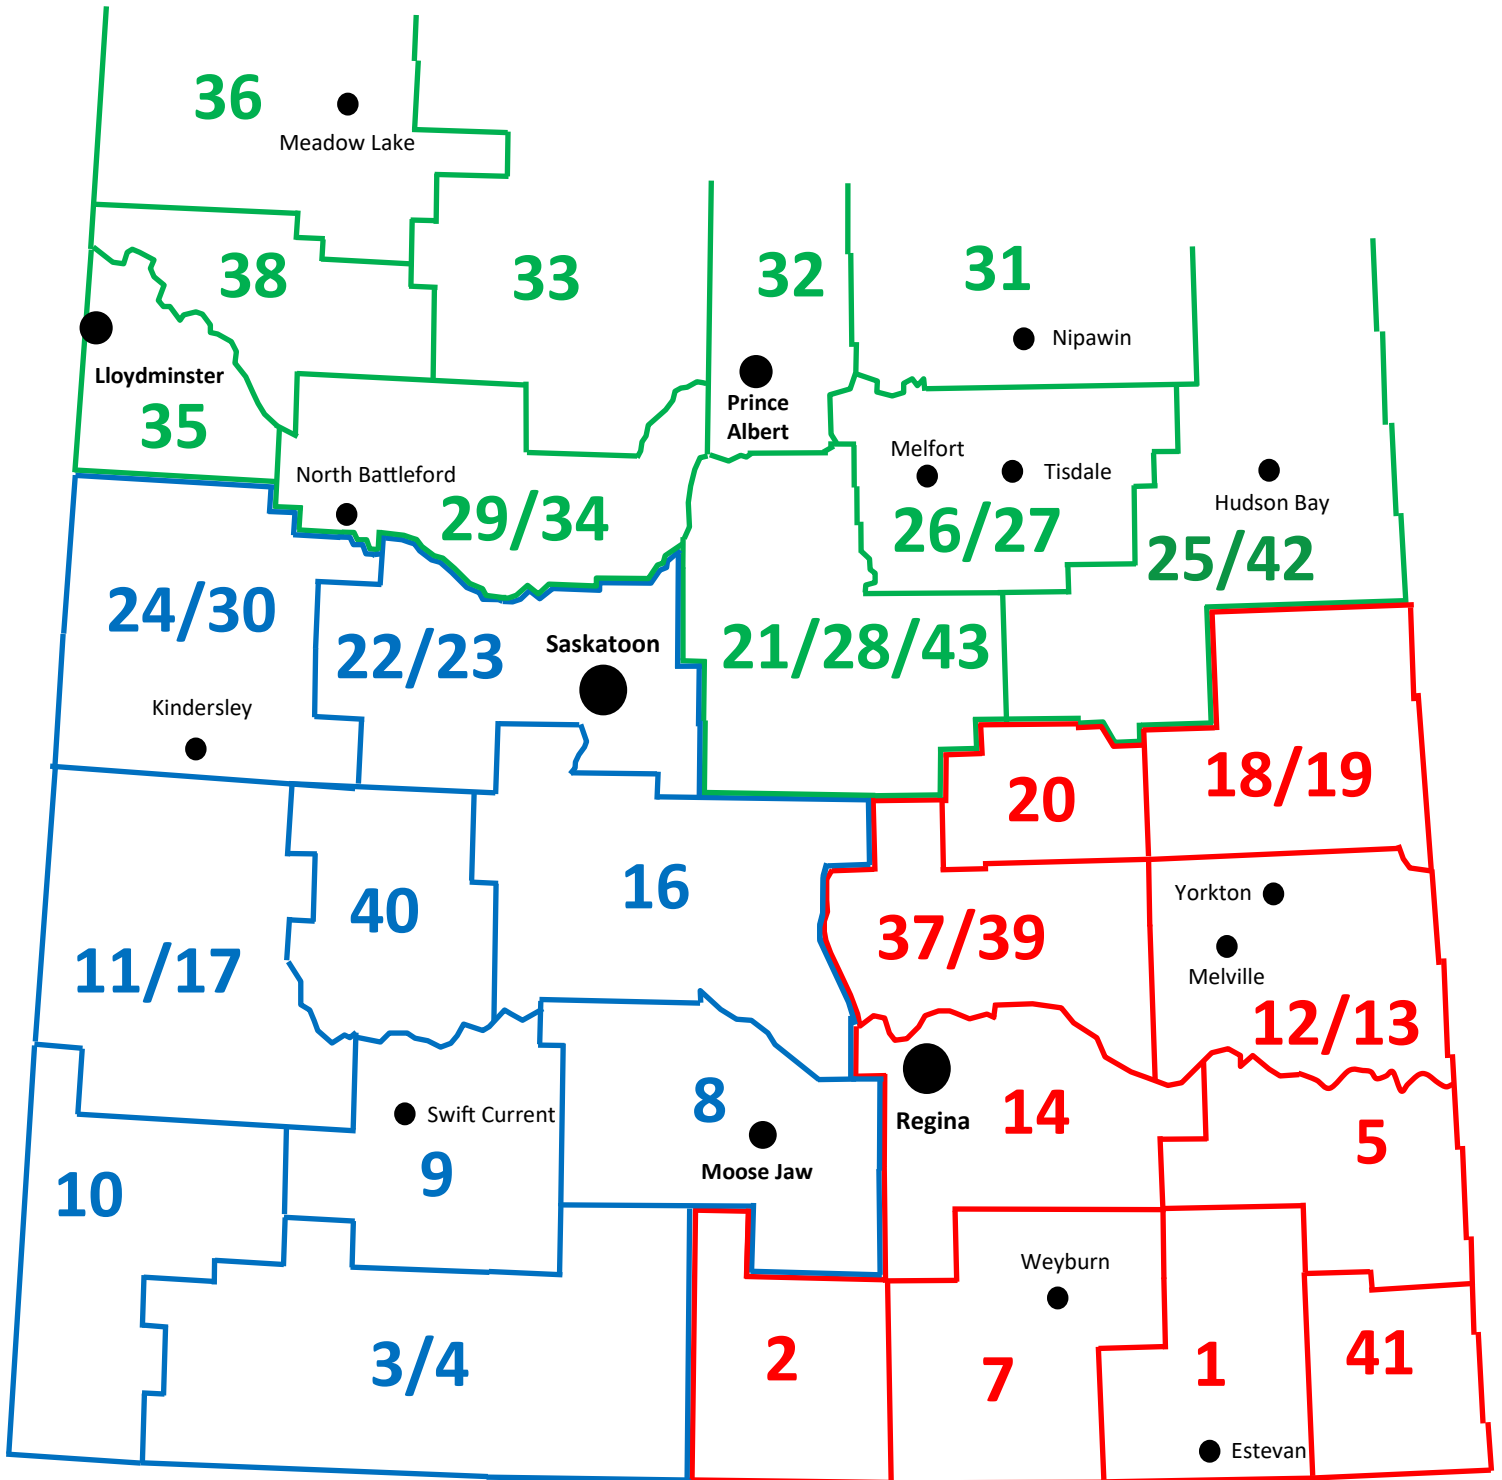

North East: Districts 42, 43, 21, 25, 26, 27, 28, 29, 34, 38, 36, 33, 32, 31.

South East: Districts 1, 2, 5, 6, 7, 12, 13, 14, 18/19, 20, 37, 39, 41.

District 3/4—West Region

Current District Map

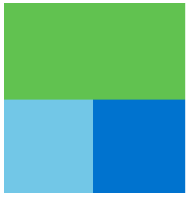

DISTRICT 3/4—Background Information

RM's would include: 17, 18, 19, 43, 44, 45, 46, 49, 75, 76, 77, 78, 79, 108

Clubs: Aneroid Multiple 4-H Club (7), Val Marie 4-H Light Horse Club (13), Wood River 4-H Club (10), Mankota 4-H Beef Club (31)

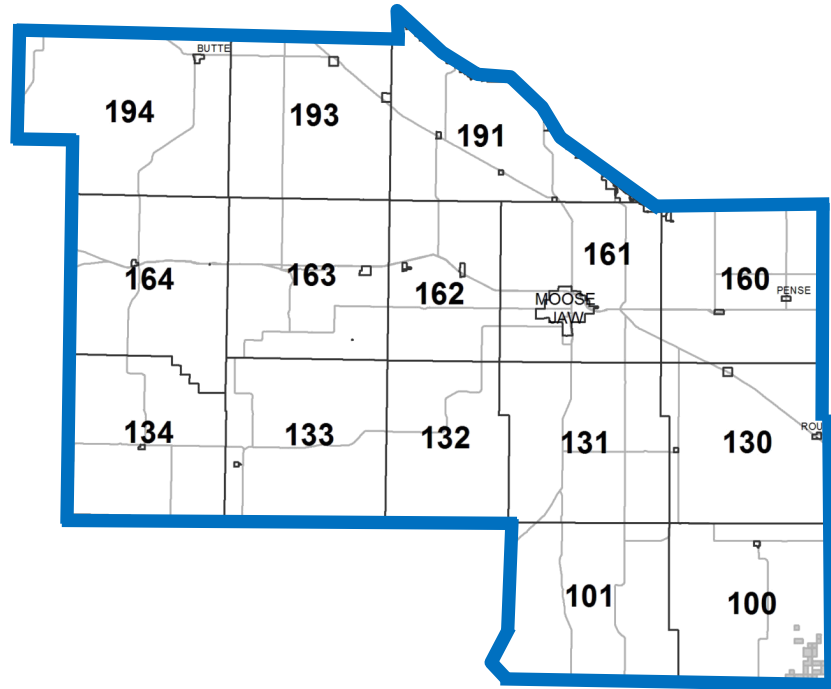

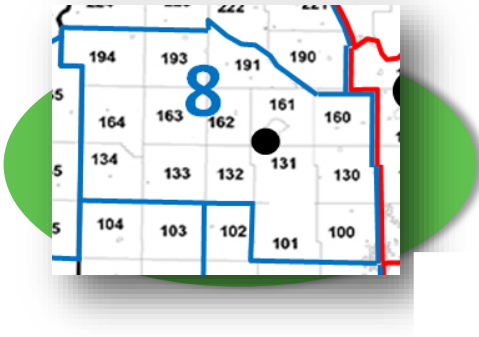

Totals: 4 clubs, 61 members

Details: The only major change to District 3/4 would be its inclusion into the newly created West 4-H Region. Districts 3 and 4 amalgamated in 2017, when District 3 only had one club. This merge resulted in the District becoming very run with good communication and participation. It already covers a large geographical area. One club folded in 2023-2024.

District 8—West Region

Current District Map

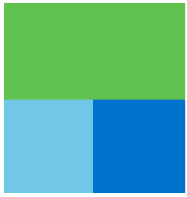

DISTRICT 8—Background Information
