- The Saskatchewan 4-H Council Board of Directors is made up of three leader representatives from each region, three 18-year-old member delegates, a representative from the Ministry of Agriculture, the Executive Director of 4-H Saskatchewan, and the Past President of the board.
- The Saskatchewan 4-H Council Board of Directors is a policy-making board that governs the 4-H program in Saskatchewan, oversees the Executive Director, and makes decisions regarding programs, policy, planning and allocation of funds.

2025 Board of Directors Report

- We have four standing committees: Program & Governance Policy; Finance; Grievance; and Selections. We also form Ad Hoc committees for specific tasks. The Board meets in person four or five times per year, as well as by conference call at various times throughout the year.
- Additionally, board members are expected to stay connected with their regions by attending district meetings and regional events, like public speaking, curling, judging, shows, etc.

2024/2025 Notes of Interest

- Organizational restructuring from four regions to three and district amalgamation, along with a combined Ambassador and Advisory Council.
- Creation of the Grievance Committee has helped to streamline risk management processes

Our board is made up of hardworking and dedicated leaders and members who are passionate about 4-H Saskatchewan growing and improving. We want to do our best to represent our regions and are available to hear suggestions and concerns from 4-H members and leaders. If you are interested in joining the board or learning more, feel free to ask us questions, and send in your application next year!

ABOUT THE AMBASSADOR PROGRAM

Nine ambassadors from each region are elected annually at each of the Regional Meetings during AGM. Ambassadors are members and leaders who showcase the true spirit of 4-H Saskatchewan through their willingness to volunteer and share their knowledge of the 4-H program. Ambassadors focus on positive public relations, recruiting new members, representing 4-H at local events, and sharing their 4-H story.
