

Clothespin Cattle!

What you will need:

- Cattle clothespin template
- Scissors
- Regular clothespins
- Tiny clothespins
- White paper
- Printer

Instructions:

1. Print out the cattle clothespin template on white paper
2. Cut out the cattle. The clothespins will be the legs for the paper animals. The regular clothespins will be for the adult cattle and the tiny clothespins will be for the calves.
3. Clip the clothespins to the bottom of the animal and adjust the legs so their animal can stand up.
4. Make trees, barns and other props out of paper.
5. Use extra clothespins to each new prop so it can stand up as well.
6. Once all the props have been created, create a story with your clothespin animals and homemade props!
