

# 2022 4-H Saskatchewan Annual General Meeting Club Displays

Date: March 19-20, 2022

Location: Saskatoon Inn (Ballroom B)

Displays need to be set-up by 9:45 am on March 19

## We are looking for your help!

The 2022 4-H Saskatchewan Annual General Meeting theme this year is “4-H For Life.” 4-H Saskatchewan is looking for clubs to showcase their unique and interesting endeavors during this event by creating a small club display. Examples could be:

- Ways that your club gave back in your community
- Creative project activities
- Field trips or special 4-H events

These club displays should be set up to exhibit your club’s project work and member accomplishments. These displays do not require members to leaders to sit by the display at all times. Your club will have four feet on a table to to showcase the following:

- Your club name
- Descriptions and photos of how your club demonstrated unique activities throughout the 4-H year
- A Posterboard, pictures or items
- Hands-on activities (if applicable)
