

Exploring 4-H at Home - Camp

Nature Scavenger Hunt

Step 1: Print or draw out the items you will be finding (see image below) on a lengthwise 8 ½ by 11' sheet of paper

Step 2- Paste or tape it into your egg carton

Step 3- Head outside and start searching (with an adult's permission)

Step 4- Find as many items as you can. Don't worry if you can't find them all!

Step 5- Post a photo of what you found into the Exploring 4-H at Home Facebook Page (with permission)

Helpful hints:

- If you do not have some items in your area ask your parents to come up with another idea. (Saskatoon Berries, rosehips, bark, snow etc.)
- If you do not have a printer at home, draw or write in each square what you are finding!
- Dress for the weather.
- Have fun!
