Read each scenario and describe how you would handle the situation.

## INTERVIEW QUESTIONS—SCENARIOS

**SCENARIO 1:** During a discussion with a parent of a member, it comes to your attention that one of the Project Leaders has been inviting two of the seven members in the woodworking group to their home to continue to work on 4-H projects after each meeting. The parent also lets you know that there has been at least one occasion where the Leader was alone with just one 4-H member after project meetings.

**What concerns would you have? As a screened volunteer, what are your responsibilities in this situation? What steps would you take in order to resolve this situation?**

**SCENARIO 2:** You and another screened volunteer have arrived first for a meeting. The 4-H Members then arrive with their parents and are waiting for the meeting to start in five minutes. The General Leader texts you and says she and the other Leader of the club are carpooling and running late. They will arrive in about 20 minutes.

**Bearing in mind that a Screened Volunteer is not responsible for running General or Project Meetings, what would you do in this situation?**

## 4-H LEADER ACKNOWLEDGEMENT

I, as General Leader in the \_\_\_\_\_ Club, have reviewed the answers given by the applicant. I acknowledge that should I have any questions or concerns about the provided answers, that I can contact the Provincial 4-H Office at 306-933-7727.
