# 4-H Saskatchewan Lottery #24 Pledge Form

## Instructions and Selling Tips

Use this form to keep track of who you have contacted to purchase lottery tickets. This will allow you to sell tickets by phone, e-mail, or other indirect means and track who has paid and if you have sent their tickets to them.

**1)** Contact potential ticket buyer and ask if they would like to support the 4-H Lottery. The best way to do this is by a friendly phone call. You can start by calling family and friends:

*“Hello, this is Harold. I am selling lottery tickets as a fundraiser for the Hoppity Hop 4-H Multiple Club. There are lots of great prizes available! Would you be interested in purchasing a \$5 ticket? If you buy a ticket there is also the option of a 50/50 add-on for just \$2.”*

**2)** If they choose to purchase tickets, write their information in the pledge form. Look at the example at the top of the form as a guideline on how to fill it out.

**3)** Once you have calculated the total, let the purchaser know how much their total is and how they can get the funds to you.

*“Thank you so much! Your total comes to \$14. You can mail a cheque made out to Hoppity Hop 4-H Multiple Club or you can send an e-transfer to [hoppityhop@gmail.com](mailto:hoppityhop@gmail.com). Once we have your funds, I will mail you the ticket stubs. We also can wait until we are able to see each other in person (after social distancing restrictions) and exchange tickets for money then!”*

**4)** As soon as you receive the funds, you will check off the “\$ Collected” box.

**5)** You can then mail the tickets or deliver the tickets to the purchaser while maintaining appropriate social distancing measures. We recommend porch drop-off or, if there is a mail box, drop the tickets in their mail box. Notify the purchaser when you plan to drop the tickets off so they are not left outside. Always maintain a safe distance of two meters (the length of one 4-H steer) from anyone not living in your household.

**6)** Once the tickets have been mailed or delivered, you can check off the “Mailed” box.

### Voiding Tickets

If you need to void a ticket because of a mistake or because someone pledged to purchase it, but did not follow through with payment, simply write VOID across the ticket. Make a note of this in your tracking sheet and on the front cover of the ticket book, with the ticket number that was voided. **DO NOT REMOVE ANY TICKET STUBS FROM THE BOOK. All ticket stubs need to be returned to 4-H SK, even if there was a mistake/void.** If the ticket falls out, staple it to the front of the book.
