2023 4-H YEAR AT A GLANCE

2023 is shaping up to be another busy year full of 4-H programming, new initiatives, and plenty of opportunities for our members to experience. So far this year we have offered events, such as Curling, Science Day, Leadership Conferences, Public Speaking, and many other events.

JANUARY:

January began with our monthly Webinar Wednesday which discussed Public Speaking. From there we hosted the 4-H Science Day at the Western Development Museum in Moose Jaw, followed by Regional Curling and participating in the Crop Production Show.

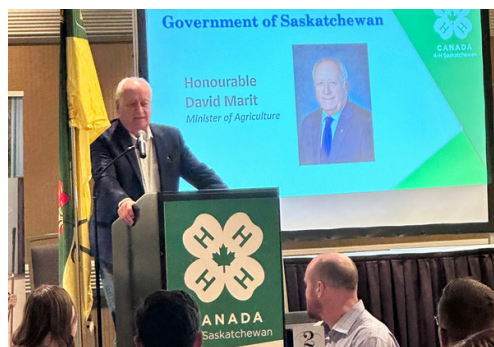

FEBRUARY:

February saw the Prairieland Youth Leadership Conference being held at Prairieland Park, along with Provincial Curling in Swift Current, and multiple District Public Speaking engagements throughout the province.

MARCH:

March hosted the Scholarships & Awards Webinar Wednesday, Ski Day, Regional and District Public Speaking, and the annual Saskatchewan 4-H AGM was held in Saskatoon for a weekend of meetings and fun.

APRIL:

The month of April is underway, and thus far we have approached our Scholarship and Journey to the Future Grant deadlines and are in the process of reviewing applications, hosted a Judging Webinar Wednesday, and watched Provincial Public Speaking in Lloydminster. The remainder of the month will be packed with opportunities, such as members being able to submit pictures for the 4-H Photo Contest, and allow future leaders to travel to Ottawa for the 4-H Canada Leadership Summit.

UPCOMING 2023 EVENTS & OPPORTUNITIES

The remainder of the 2023 year will continue to offer an abundance of 4-H programs, initiatives, and opportunities that will include both the Beef Symposium and the Equine Symposium in May, Ag in Motion in July, North and South Summer Camps in July and August, which will not only provide camp opportunities for the 4-H youth, but also provide career skill growth for older youth. 4-H Saskatchewan will also host Regional Judging throughout the province of Saskatchewan, followed by Provincial Judging, which will be hosted in Weyburn, Agribition, Leaderama, and multiple grant opportunities for the 4-H clubs, including the Future Producers Grant.

We hope to see our wonderful supporters out at our various 4-H events and within the community. You can find upcoming events on our website:

ABOUT THE SASKATCHEWAN 4-H FOUNDATION

The Saskatchewan 4-H Foundation has played a significant role in the success of 4-H Saskatchewan for over 60 years. The Foundation was incorporated in 1960 for the purpose of receiving and administering funds donated to the 4-H program. It became a charitable organization in 1967.

The most encouraging aspect of supporting the Foundation is that the money you give today will not only support current 4-H members, leaders and programs, but will continue to work for the benefit of future generations of 4-H members. The Foundation receives donations from a wide variety of sources, and invests the funds under the direction of a volunteer Board of Trustees and a Financial Advisor (RBC Dominion Securities).

"4-H is truly a passion of mine and I strongly encourage all members to try things you would've never thought of doing before, you might not know how much you like it until you try!"
