Activity Guide

Stick-It Scavenger Hunt

Supplies

- A piece of cardboard
- Clear tape
- Scissors
- Marker
- Things you find!

Instructions

- An adult may want to help you with this activity.
- Take your big piece of cardboard and draw a graph on it. It should have two columns.
- One column should have the title "Find it"; the other should say "Stick It"
- Have an adult list several flowers and plants that can be found near your home.
- Go out and find the items. You may want to take some scissors with you, and a container to hold your items in.
- OR, you can stick the items to the graph as you go!
- Have fun collecting and sticking your items! Post a pic to the Exploring 4-H @ Home page so we can see what you found!

Suggestions for items to find:

Find these items in nature and stick them to your Stick-It Scavenger Hunt Board

- Dandelion - yellow or fuzzy!
- Pansy or Petunia flower (or both!)
- Karagana flower or seed pod
- Lilac flowers
- Cedar leaves/needles
- Poplar leaf
- Clover
- Birch Bark
